Dear Examiner Mi:

Re: Suman Preet Singh KHANUJA, et al
U.S. Serial No.: 10/761,804
Filed: January 21, 2004
Docket No.: U 015000-9

Sorry for the delay in getting back to you.

I transmit two (2) declarations for this application: a first executed by twelve (12) of the thirteen (13) inventors and a second executed by the thirteenth inventor. The first bears the information of the parent application and the second of the present application, which is a continuation of the parent. (Please note that the second bears the attorney docket number, which was on the specification as filed and is thus adequate identification for this later filed declaration- -see MPEP 602(VI)).

It is my understanding that inventors may execute separate declarations provided that each declaration sets forth all of the inventors such that these two (2) declarations taken together should be sufficient. If otherwise, please advise.

Very truly yours,

Clifford J. Mass
